INFORMAL REQUEST FOR DECLINE IN VALUE REASSESSMENT DUE TO DISASTER

This request is for a decline in value review resulting from adverse market conditions relating to the disaster, not for damaged property resulting from the disaster.

If you believe the market value of your home has been adversely affected by the disaster, please complete and return this request to the address listed above. Please include your telephone number, as we may also need to contact you for additional information.

As part of our investigation, we will need to determine if the market value of your property is less than the assessed value for the valuation date of January 1, 2021. If an assessment reduction is warranted it will affect your 2021-2022 annual tax bill. Once we have completed our investigation, you will be notified by mail of our findings. If you have any questions, please contact our office at (805) 654-2181.

If you disagree with our findings, you may file a *formal* appeal with the Clerk of the Board by completing an *Assessment Appeal Application*. To obtain this application, contact the Clerk of the Assessment Appeals Board at (805) 654-2251. **Formal applications for the 2021 assessment must be filed between July 2 and September 15, 2021.**

If your property was damaged by the disaster, please file an *Application for Reassessment Property Damaged by Misfortune or Calamity form*. To obtain an application, contact the Assessor's Office.
